

Exclusive Transport and Event Logistics

About us

Our business unit, **Viatis Mobility**, has specialised in bespoke transport services since 1992, tailoring every journey to each client and occasion. Its foremost aim is to provide a reliable, safe and outstanding service, taking meticulous care over every aspect of the travel experience.

The company operates a modern fleet ranging from private vehicles to high-capacity coaches, ensuring efficient transfers for groups of any size.

Our values

- **COMFORT & QUALITY:** Fully equipped vehicles maintained to the highest standards of excellence.
- **SAFETY:** Professional drivers and rigorous protocols on every route.
- **PUNCTUALITY:** Strict adherence to schedules to ensure timely arrivals.
- **PROFESSIONALISM:** Warm, attentive and personalised service at all times.

Vehicle Fleet

All vehicles feature corporate branding and high-end fittings (wooden flooring, plush seats with generous legroom, refrigerator, USB ports and a premium ambience).

- *Use: Designed for medium-sized groups, providing wide, comfortable seating and all essential amenities.*

High-Capacity coaches:

- *Models: Mercedes Turismo K (42 and 54 seats), Mercedes Beulas (47 seats) and Mercedes Sunsundegui (51 seats)*
- *Use: Fully equipped for long journeys, excursions and large-group transfers.*

Comprehensive Transport Services

Executive coach travel:

We provide both coaches and minibuses for national and international journeys. Our services include:

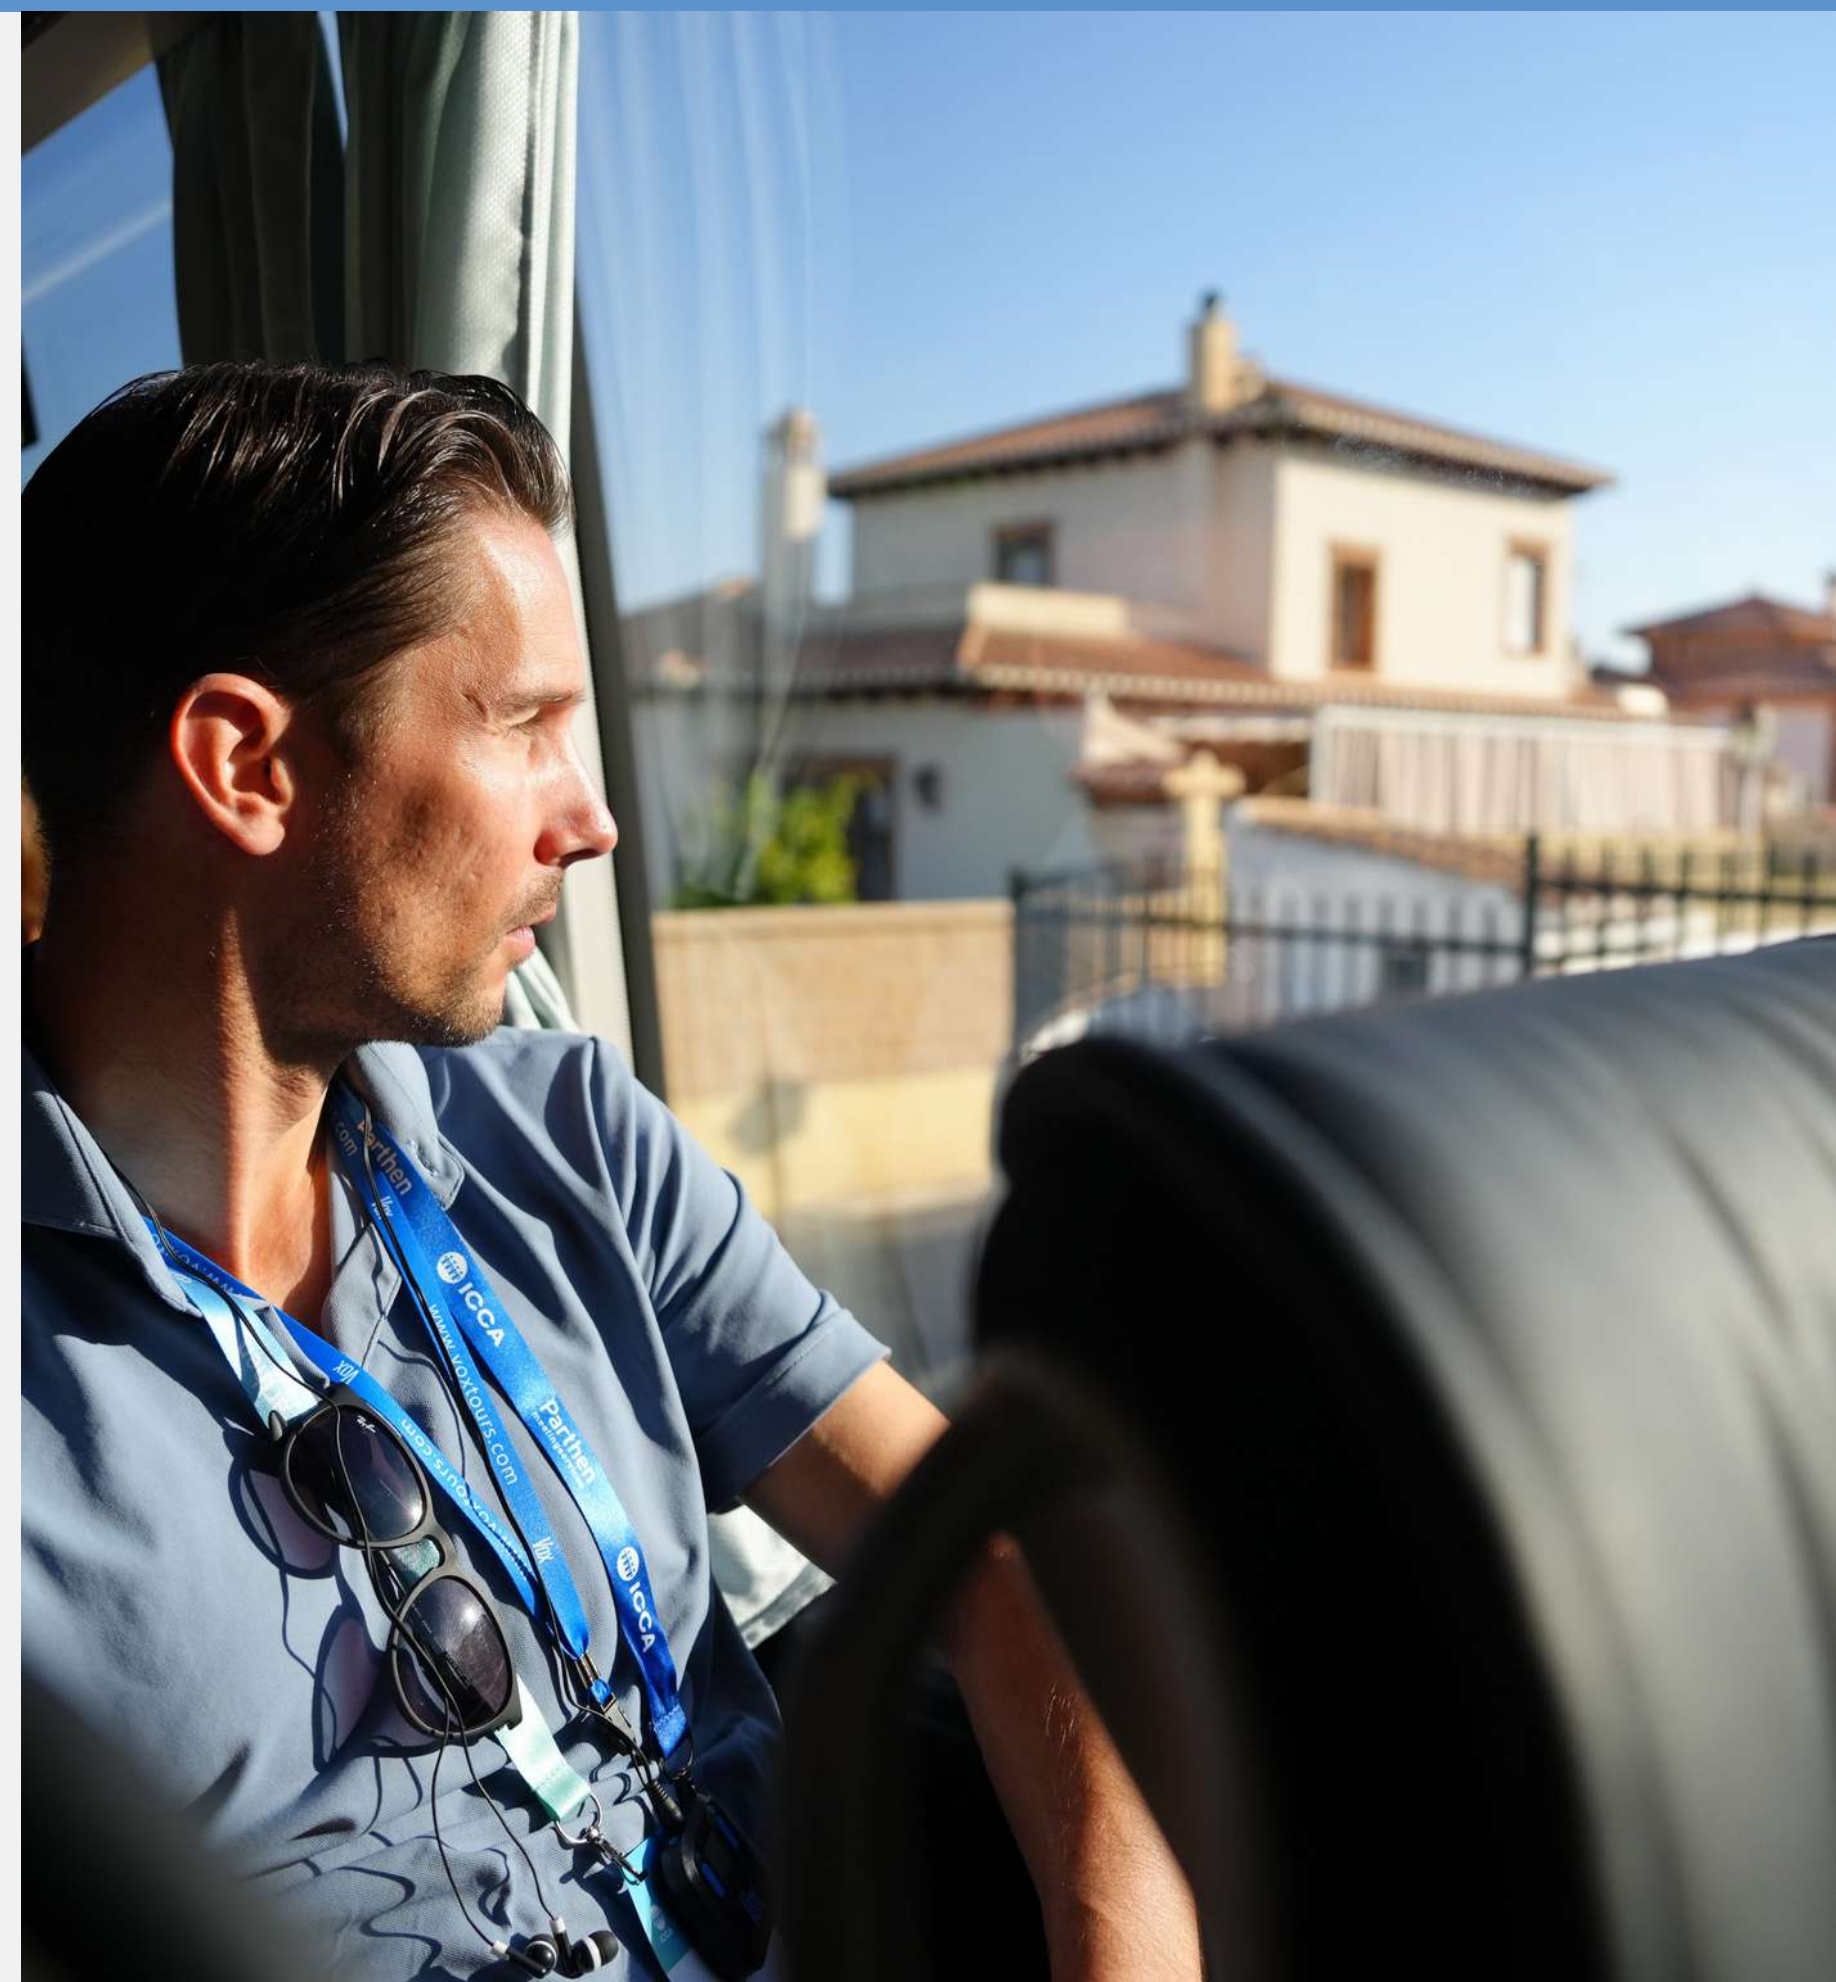

- Arrival and departure transfers at airports, ports and railway stations.
- Corporate events, congresses and the MICE sector.
- Transfers for factories, universities, clubs and associations.
- Private groups of any size.

Chauffeur-Driven car transport:

An exclusive service offering minivans with a professional driver (8- and 9-seat versions). Ideal for private transfers, sightseeing tours, multi-day itineraries and on-demand services.

Self-Drive car hire:

For those who prefer to drive themselves, we offer competitive rental options for cars, cargo vans, minibuses and microbuses.

Areas of operation and destinations

The company has a strong presence across Andalusia, with notable operations in the following locations:

Granada:

- Private transfers, guided tours, and services at Federico García Lorca Airport and Granada Station.

Sevilla:

- Bespoke services for private visits, events and transfers to airports, train stations and coach terminals.

Airport connections:

- We provide transfers from Granada, Málaga and Seville airports to hotels and key tourist destinations.

Regional coverage:

- Organisation of intercity transfers throughout Andalusia using premium, high-end vehicles.

Specialists in congresses (MICE)

The company has a strong presence across Andalusia, with notable operations in the following areas:

- **Logistics for Large Groups:** Options include the 55-seat Mercedes Turismo plus guide, the safest and most reliable choice for transporting large groups.
- **Medium-Sized groups:** The 34-seat Mercedes Turismo plus guide — ideal for exploring historic settings while enjoying the comfort and quality of a full-size coach.
- **Reliability:** All vehicles undergo comprehensive maintenance programmes and daily inspections.

Our most recent events:

- IPE Conference & Awards 2025 – Seville.
- ICCA Granada 2025 – Granada.
- Spain Convention Bureau 2025 – Granada.
